GCAS

6 DAYS

CARGO & DANGEROUS GOODS

AED 3,950.00

(Inclusive of 5% VAT)

(Approved by IATA & the General Civil Aviation Authority - GCAA)

Safety is your responsibility!

Have the appropriate safety precautions been taken in your company? Are you aware of the legal requirements, operational restrictions, packaging instructions, marking, labeling, and documentation regulations pertaining to the transport of dangerous goods? This course provides the skills to accept, handle, and process shipments containing dangerous goods as per the current edition of the mandatory IATA Dangerous Goods Regulations Manual.

Course Benefits

Upon completing this course you will have the skills to:

- Apply IATA's DGR manual and complete dangerous goods transport documents correctly
- Apply regulations to identify, pack, mark, label and document dangerous goods
- Perform the responsibilities involved in accepting, storing, loading and inspecting dangerous goods
- Understand the legal responsibilities involved with the transport of dangerous goods

WHO SHOULD ATTEND

- Airline cargo acceptance and cargo agency staff
- Cargo operations and ground handling staff
- Cargo operations and station managers responsible for the safe transport of dangerous goods shipments
- Shippers, cargo agents, consolidators, freight forwarders and other agencies involved in the transport of dangerous goods
- Instructional designer and instructor responsible for dangerous goods training
