

# AVIATION SECURITY CRISIS MANAGEMENT COURSE

0000

TRAINING PROGRAMS  
GCAS

5 DAYS

AVIATION SECURITY (AVSEC)

AED 7,260.00

(Inclusive of 5% VAT)

This is a specialized course designed for aviation security middle and senior management personnel who have been assigned to organize, plan, conduct and assess aviation security crisis management exercises to ensure that the overall crisis management system is properly prepared and to determine the effectiveness of crisis management plans and procedures

## Course Benefits

By the end of the program, participants will be able to:

- Explain the need for a crisis management plan and to respond to major security emergencies occurring at airports
- Describe the essential components of a crisis management team
- Identify the composition and function of a crisis management team
- Describe the essential facilities necessary in support of a planned response to crises
- Testing feature necessary to ensure currency in crisis management plans.

## Who Should Attend

- At least three years experience in a management/supervisory position within organisations mentioned in the target population
- Trainees should have attended a specialized aviation security management course

## Course Outline

- Crisis Management Concept
- Crisis management Plans
- Crisis Management Team
